ABOUT #EMPOWHERACCESS GLOBAL PRESTIGE AWARDS CEREMONY AND DINNER

The #empowHERaccess Global Prestige Awards 2026 is the world's most powerful recognition and celebration ecosystem for leaders shaping the AI economy anchored in two of the planet's most influential innovation hubs: the United States and India. In six years, this platform has grown from a hashtag with 600,000 impressions to a global movement generating over 4.5 million impressions, 400+ nominations, and an Oscar-qualifying impact film ICONS. Year over year, we have doubled. This is Year Six. We are building toward the landmark. Everything we do is in service of one audacious goal: unlock \$1 billion in new net economic access for women and allies in the AI economy by 2030.
